<sup>1</sup> This deadline applies to motions related to the admissibility of experts or expert testimony that may require a *Daubert* hearing, but otherwise does not apply to motions *in limine*. The Court will set a motions *in limine* deadline in a separate order.

deadline. A written discovery request must be propounded by a date which ensures that the response to that request is due on or before the discovery deadline. The parties are further reminded that the cutoff for motions related to discovery does not relieve the party of the twenty-one (21) day time period under Local Rule 26.6 to challenge a party's objections to answering discovery. The parties are encouraged to review Federal Rule of Civil Procedure 26(a)(2) to ensure they properly disclose *all* testifying witnesses, not just those for whom a report is required.
